

AGENT AGREEMENT

AGENT AGREEMENT Escrow & Payment Terms

PAYMENT RECEIPT & ESCROW

When a tenant/student pays for your property, the payment goes into escrow (held funds) on the Rentora platform. The payment includes three components:

1. RENT AMOUNT - Payment for property use
2. AGENT FEE - Your commission (10% of rent)
3. CAUTION DEPOSIT - Tenant refundable deposit

ESCROW WORKFLOW WITH ADMIN REVIEW

Step 1: Payment Received

- Tenant pays full amount to Rentora platform
- Your platform receives: Rent + Agent Fee + Caution Fee
- Status: HELD (in escrow)
- Your balance: Not updated
- What happens: Admin team receives notification and begins review

Step 2: You Report Move-In

- You confirm keys have been handed to tenant
- Status: MOVE_IN_REPORTED
- Your balance: Still not updated
- What happens: Admin is notified of move-in confirmation

Step 3: Admin Reviews & Approves

- Rentora admin team reviews the payment for fraud/compliance
- Admin approves and releases the payment
- Status: RELEASED
- Your balance: IMMEDIATELY CREDITED with full amount (Rent + Agent Fee + Caution Fee)
- What happens: You receive notification that payment has been credited

PAYMENT TIMELINE

- Tenant pays !' Payment immediately held in escrow
- You report move-in !' Status updated
- Admin reviews payment !' Typically within 24-48 hours
- Admin approves !' Payment credited to your balance instantly
- You withdraw !' Funds transfer to your bank account

Note: Admin review ensures fraud prevention and protects both you and tenants.

HOW YOU GET PAID

When a payment is released by admin:

- ' Agent Fee (10% of rent) !' Added to your balance
- ' Rent Amount !' Added to your balance
- ' Caution Fee !' Added to your balance

All three amounts are credited simultaneously once admin approves the release.

You can then withdraw your balance to your linked bank account at any time (minimum withdrawal amount applies).

SECURITY & TRUST

- Payments held on Rentora platform (secure escrow)
- Admin manual review prevents fraud
- You receive email notifications at each stage
- Full transaction history available in your dashboard
